Deposit Rates

Rates in effect as of: Monday, April 22, 2024

We use two terms to explain how much interest we pay on your First Oklahoma Bank deposit accounts.

***Interest Rate** is the annualized percentage rate we pay you on your account, and does not reflect compound interest, which is any interest paid on the interest you've already earned.

***Annual Percentage Yield (APY)** is the annualized percentage rate we pay you on your account, and includes compound interest. The APY may be higher than the Interest Rate due to compound interest.

Rate / APY may change after account has been opened. Fees could reduce the earnings on the account. For current rate information call (918) 392-2590

APY listed below is an estimate. Actual APY will be based on specific account terms and will be disclosed at account opening.
